

Tessada & Associates' Parent Company Appoints New Board Member

SPRINGFIELD, VA—February 25, 2011—Tessada & Associates, Inc. (TAI) announced today Terry Clark, President of TAI, has been appointed to its parent company's Board of Directors to replace outgoing director Mark Gray. This announcement is consistent with the TAI's growth plans, which are experiencing rapid and diverse expansion.

In announcing the change Deryl W. Wright, CEO of TAI commented, "The current Board of Directors and I are extremely pleased to have Terry Clark join the Board. Clark has demonstrated an outstanding record of success in providing leadership as President since joining the company in May 2010 and will be a valuable addition to the Board." Furthermore, Mr. Wright stated, "Most importantly, Terry is committed to a high quality of performance, outstanding customer service and satisfaction, while reinforcing high ethical standards -- hallmarks of TAI's success for more than 15 years."

TAI has successfully helped government clients manage programs efficiently while also performing value-added, specialized services for more than two decades. TAI specializes in providing program management, IT services, and engineering solutions, administrative and multi-media services to a growing roster of federal agency customers. The company has sterling processes and is ISO 9001:2000 certified with top secret clearance.
